1 Travel to Nepal by Chingaru (CHG-1)

This handwritten narrative by Chingaru provides his account of one of our travels to Nepal.¹ During this trip we travelled by bus to Raipur, then train to Calcutta, and from there flew from Calcutta via Patna but were turned back at Patna due to heavy rain and poor visibility in Kathmandu. The airline put us up in a very nice hotel which must have seemed like a luxurious palace to Chingaru and Durga.

Chingaru's account is very similar to Durga's and they probably shared ideas of what to include.

1.1 Free Translation of Text

- 1. This is about the time of our coming to Nepal.
- 2. We got on the bus from the city (Jagdalpur) at 6pm and we are going.
- 3. While going it became night.
- 4. At the time of becoming night, at Kanker we are food, and got aboard (again), and we are quickly going.
 - 5. It became late at night. We arrived at Raipur at midnight.
- 6. After arriving, after climbing in a rickshaw we went to the railway station. And we went to a waiting room (and) there (Bai) booked our tickets. Bai put her suitcase in the cloak room. Half the luggage we carried in our three lots of hands. And we went to one place and we sat down.
 - 7. It was very late at night. At the place where we sat we nodded sleepily.
 - 8. Later, after a long time it became light therefore we cleaned our teeth and had breakfast.
- 9. Having done that, later Bai took us to a hotel. There is everything for sleeping and sitting. We were there for the whole day.
- 10. Having slept, having sat, we were there. At gruel time she gives us money for food. Having descended from above, we go to eat food at a hotel. We take 2 rupees and 10 **poesa**.
- 11. After having eaten, again we climb up above to our bunk. Having slept, having sat, we are there the whole day.
 - 12. Later, at 5pm the train comes to Nagpur.
- 13. Bai had obtained tickets for the 3 of us and a friend had given to Bai. That lady came in the train. She gave the Raipur ticket. She brought Bai's luggage to Nagpur, perhaps they had decided between them.
 - 14. Later we got on the train. It is the ticket for that train.
- 15. We had climbed on the train at Raipur at 5 o'clock for the whole night and in the morning at 8:30am we arrived at Calcutta.
- 16. After having arrived we descended and all four of us got a taxi with all our luggage and we went to a hotel. From the railway station to the hotel was a long way.

¹Handwritten notes by Chingaru, 1974. Researcher: Fran Woods.

- 17. In the hotel the women's room is separate. The men's room is separate. We were in one room at that place. There were 5 or 6 separate beds for sleeping. One is to be sleeping alone in those beds. We also sleep and we go outside the hotel to eat our food. We only slept there in that hotel for one day and one night.
 - 18. Bai bought us sandals there.
- 19. Later Bai said, "In the morning we're to be going to the airport," she said. She had previously obtained the tickets.
 - 20. At the time of it becoming morning we all went to the airport with out luggage.
 - 21. At that place forms were filled in. They checked us in.
 - 22. Later, however many tickets had been obtained, that many people were to be boarding.
- 23. At one place they were checking (everyone). Having said, "Knives or else guns or whatever you may have taken," at that place they will check. Later one is to board.
- 24. Having boarded, having waited a little while, they will go. When said, "They are departing," slowly slowly they will make (the plane) go until arrive at the top of the airport.
- 25. When they arrived at the top later they will rev the engines greatly. And how fast it will go! Going faster and faster it will fly up from the ground. And immediately it will gain altitude and the wheels will be retracted. And it will fly. There about 50 people had boarded.
- 26. It was flying (and) it had arrived at Patna. And that plane's radio said, "Don't descend!" "In Nepal it is raining greatly. And it is very dark," it said.
- 27. Then from Patna we returned to Calcutta. They brought us and all those who boarded descended (from the plane). And they told us, "Much rain is falling in Nepal and it is very dark," saying they said.
- 28. And that airline got us to board their bus and took us to a very big hotel. And for that many people they fed us and gave us rooms for sleeping and sitting. They paid for us for one day and one night (and) and fed us food. And at that hotel whatever our minds wanted that is to be asking for. We ate whatever we wanted and we were there.
- 29. At the time of it becoming morning, again that airline's bus came to take us. We boarded there and we went to the airport. And there again they checked us. They wrote again our names and villages. And they boarded us and they flew.
 - *30.* At the time of flying the plane has these beautiful ladies (the hostesses).
- 31. They gave us soft drinks, breakfast, chocolate, cake and letter writing items. One is to be taking those things. They will be in the seats. One is to be looking at them. One is to be taking them. There is a table for eating. One is to pull down when time to eat.
 - 32. When finished eating one is to be being given teeth cleaning things.
 - 33. There are seat belts at those seats. One is to be fastening those belts when taking off.
- 34. And when go to a great altitude one is to be releasing (the seat belt). And one is to be fastening again when descending.
- 35. When descended, one is to be descending and one is to be going into the airport. There they look (check) all the luggage bags, suitcases, sleeping gear, etc. And they allowed us to go.
- 36. At that place, having gotten a vehicle, Jenny and Alice had gone to meet us. They loaded the luggage in the vehicle and they had us four get in. A man from Bai's country also got in. And they brought us to Kathmandu.
- 37. When we came Jenny and Alice gave us chocolates. We ate them and the one who came with us the ladies took him to Kirtipur.

- 38. And later we came to our house. And we prepared rice and vegetables which Jenny gave us and we ate.
 - 39. And we are here.
